About this Qualification

The Level 3 Award in Education and Training (RQF) is an Ofqual-regulated national qualification awarded by NCFE.

How is the course delivered?

Study is part time and delivered in the workplace, online or at EMD premises, or via blended learning over a period of time to suit you and your needs (approximately 120 hours in total).

Who is the course for?

This qualification is ideal as an introductory level qualification in the adult education sector and is used by many of our learners as a way into a successful career in teaching.

It's also suitable for those involved in coaching, training or mentoring in any type of workplace.

What are the entry requirements?

There are no set entry requirements, although a willingness to learn and a good level of English and maths is expected.

Can I do this course for free?

A variety of funding options are available and funding is subject to eligibility. Contact EMD for further information on fees and funding.

Course Overview

The course covers the following three units:

Unit 1:

Understanding the roles, responsibilities and relationships in education and training

Unit 2:

Understanding and using inclusive learning and teaching approaches in education and training

Unit 3:

Understanding assessment in education and training

Unit 1 Overview

Understanding the Roles, Responsibilities and Relationships in Education and Training

This introductory unit will enable you to:

- understand the teaching roles and responsibilities in education and training
- understand ways to maintain a safe and supportive learning environment
- understand the relationships between teachers and other professionals in education and training.

You will be required to complete a short written assignment.

Unit 2 Overview

Understanding and using inclusive learning and teaching approaches in education and training

This unit will enable you to:

- understand inclusive teaching and learning approaches in education and training
- understand ways to create an inclusive teaching and learning environment
- be able to plan inclusive teaching and learning.
- be able to deliver inclusive teaching and learning.
- be able to evaluate the delivery of inclusive teaching and learning.

You will be required to complete a short written assignment.

Unit 3 Overview

Understand types and methods of assessment used in education and training

This unit will enable you to:

- understand types and methods of assessment used in education and training
- understand how to involve learners and others in the assessment process
- understand the role and use of constructive feedback in the assessment process
- understand requirements for keeping records of assessment in education and training

You will be required to complete a short written assignment.

Micro Teaching

This element will allow you to demonstrate your knowledge and skills in the elements your have studied in units 1, 2 and 3.

You will be asked to plan a 15 minute lesson which should be delivered with a minimum of 1 learner in either a real classroom environment or a simulated classroom.

The micro teaching lesson may be observed face to face by your course tutor or you may be able to provide a video recording of your lesson using a camera such as on a smart phone or tablet.

Testimonials

Here's what our learners have to say!

"Literally love doing my course and cannot wait to get back! My course teacher & the managers are the loveliest people! What makes it more amazing is that even with my anxiety they don't half make you feel at ease!!!"

Sophie

"My tutor and EMD staff are really supportive and helpful. I have learnt very much and gained lots more knowledge. I feel I am ready for my next steps in my career."

"EMD tutors and staff are really down to earth and so helpful. They will work their hardest to solve any problems you have."

Kirsty
